

A word cloud visualization of terms related to vaccine controversies. The words are arranged in a dense, overlapping manner, with larger words indicating higher frequency or importance. The color palette is a gradient of blues, ranging from light sky blue to deep navy blue. The words are oriented horizontally, though some are rotated slightly for better fit. The overall shape is roughly rectangular, with the most prominent words like 'called', 'forced', 'experiment', and 'human' occupying the central and lower portions of the image.
